

TALK TO WORLD BY NAVAL RADIO

San Diego, Cal., Jan. 28.—The new naval radio station at Chollas heights, near here, which was formally opened on Friday, gave a demonstration of its power today when the operators talked with the Arlington, Va., station; Darien, Panama; Nome, Alaska, and Honolulu; overheard French operators at work on the island of Papeete, south Pacific, and concluded by exchanging the time of day with operators at a radio station near Melbourne, Australia. No attempt will be made to flash a message to Europe until the various new instruments have been broken in.
